Dear Sir,

With reference to the above-identified patent application, we would like to inform you that till date we had yet to receive the Office Action which was indicated in the EPAVE mailed out on Mar 19, 2004. Therefore, we would like to request the USPTO to resend the Office Action to us again, we believed that the package was lost in the mail since it had been more than 8 weeks.

Thank you very much for your assistance in this matter.

Yours sincerely,
